As mentioned in the referred announcement, the offer to purchase ends this Friday, 11 October 2024.

The NDRs of Salmones Camanchaca S.A. will be delisted from the Oslo Stock Exchange on 29 October 2024. The last day of listing will be 28 October 2024. Therefore, there will be no more purchasing programs offered by Camanchaca S.A. on the Oslo Stock Exchange.

Following a transfer to the Santiago Stock Exchange, a shareholder must hold the ordinary shares in a securities account capable of holding such shares. Unless the shareholder already has the required type of securities account, the shareholder must open such an account in connection with the transfer. The costs associated with the transfer of NDRs into ordinary shares of the Company listed at the Santiago Stock Exchange, must be covered by the relevant shareholder. Any holder of NDRs who wishes to convert its NDRs into shares listed at the Santiago Stock Exchange must contact their broker.

Excluding the NDRs already purchased by Camanchaca S.A. and according to the ESO as of 30 September 2024, approximately 298,500 NDRs are traded at the Oslo Stock Exchange, equivalent to 0.4% of the total number of shares of Salmones Camanchaca S.A.
